2. Application of General Conditions

- 2.1. These General Conditions apply to every Sale of plant and machinery, chattels and trade stocks conducted by the Company.
- 2.2. These General Conditions, the Special Conditions and any terms set out in the Catalogue shall together comprise the "Conditions of Sale".
- 2.3. To the extent that these General Conditions are inconsistent with any Special Conditions, the General Conditions shall prevail.
- 2.4. Bidding for any Lot shall be deemed to be an acceptance by the Bidder of these General Conditions and the Special Conditions.
- 2.5. These General Conditions shall be governed construed and enforced in accordance with the laws of England and Wales unless the Location is in:-
 - 2.5.1 Scotland in which case the laws of Scotland shall apply; or
 - 2.5.2 Northern Ireland in which case the laws of Northern Ireland shall apply.
- 2.6. A reference to writing or written shall include e-mail.
- 2.7. Any word or phrase having a meaning defined in these General Conditions shall have the same meaning when used in the Special Conditions.

3. Identity of the Parties

- 3.1. The Company offers each Lot as agent of the Seller and not as principal unless otherwise indicated in the Catalogue.
- 3.2. The Auctioneer offers each Lot as agent of the Seller and not as principal unless otherwise indicated in the Catalogue.
The identity of the Seller is set out in the Special Conditions.
- 3.3. Unless the Company has previously acknowledged in writing that the Bidder Bids as agent on behalf of a named principal, every Bidder shall be taken to Bid on his own behalf as principal.
- 3.4. Any Bidder acting as agent on behalf of a named principal shall remain liable to the Seller and the Company for all obligations and liabilities of his principal jointly and severally with the principal. The Bidder warrants that he has the authority of his principal to make each Bid made.
- 3.5. Every Bidder is required to give his name and address and provide satisfactory proof of identity and such other information and documentation as is required to the Company before making any Bid and in the case of:
 - 3.5.1. a Live Auction by the completion of a registration form;
 - 3.5.2 an Online Auction by online registration at a relevant website; and
 - 3.5.3 a private treaty or tender by prior registration or notification of details, as and when requested by the Company.
- 3.6 The Company reserves the right at any time to reject the registration of any persons and refuse access to the Auction at its sole discretion.
- 3.7 On registration for an Online Auction Bidders will be added to the Company's mailing list for the purposes of notification of future sales by email. If a Bidder wishes to stop receiving such notifications they can unsubscribe at any time by clicking on the link provided at the bottom of each email.
- 3.8 On registration in accordance with General condition 3.5 the Bidder acknowledges that only adults aged 18 years and over are entitled to enter into a legally binding contract and as a result they are the only people entitled to register for the Auction. By registering the Bidder warrants that he is aged 18 years or older and is capable of forming a legally binding contract and is not bidding or purchasing as a consumer.

4. Conduct of Auctions

- 4.1 Any Lot may be subject to a minimum bid or reserve price. The Seller is entitled to change these at any time before the conclusion of the Sale.
- 4.2 The Seller, Auctioneer or any representative, agent or person acting on behalf of the Seller may Bid for any Lot. Persons entitled to Bid pursuant to this condition 4.2 shall be entitled to place Bids on any Lot up to the reserve price including by placing Bids in response to other Bidders.
- 4.3 Lot descriptions will be amended as appropriate as and when information becomes available to the Company. Prospective Bidders must read Lot descriptions before making a Bid so that they are fully aware of any amendments to the description appearing in the Special Conditions and/or on a relevant website or in the Catalogue in relation to a particular Lot.
- 4.4 The Auctioneer may at any time before the conclusion of the Sale withdraw or divide any Lot or combine any Lots.
- 4.5 The Company may sell any Lot by private treaty or tender before or after the Auction. The Auctioneer may reject any Bid at his sole discretion and without being required to give a reason.
- 4.6 No Bid shall be retracted without the consent of the Auctioneer.
- 4.7 The Auctioneer may where there is a dispute between Bidders, summarily determine the dispute or immediately again offer the Lot for sale, in each case without being required to give a reason.
- 4.8 The Auctioneer shall in every other respect decide how the Auction is to be conducted and without being required to give a reason.
- 4.9 The Auctioneer may in his sole discretion delegate to a person whom he believes to be competent the conduct of the Auction in accordance with these General Conditions.
- 4.10 The Auctioneer may from time to time act jointly with an associated Auctioneer who will be named in the Catalogue and/or in the Special Conditions.
- 4.11 A Sale is concluded (constituting acceptance of the Bidder's offer, subject to General Condition 4.12 below) when:
 - 4.11.1 in the case of a Live Auction, on the fall of the Auctioneer's hammer; and/or,
 - 4.11.2 in the case of an Online Auction, at the close of the timed Online Auction Sale as specified on a relevant website and as defined by General Condition 4.17.3 below or;
 - 4.11.3 in the case of a private treaty or tender, when the Bidders Bid is accepted by the Company, such acceptance to be communicated to the Bidder in writing by way of receipt of the Company's invoice.
- 4.12 The Buyer shall be the person who made the highest Bid before the conclusion of the Sale pursuant to General Condition 4.11 above subject to approval and acceptance by the Company, the Auctioneers and the Seller or such other Bidder as the Auctioneer and/or the Company may declare to be the Buyer without being required to give a reason. The Auctioneer and/or the Company and/or the Seller is not bound to accept the highest Bid or any other Bid placed in the course of the Auction.

- 4.13 In the case of an Online Auction the Buyer, as determined under General Condition 4.12 above, shall within a reasonable time after the conclusion of the Sale receive by email an invoice in respect of the monies due for the Lot(s) purchased.
- 4.14 In the event that the reserve price is not met, the Company may consider the Bids received below the reserve price with the Seller who at its sole discretion may accept, reject or place a counteroffer.
- 4.15 On conclusion of the Sale and acceptance of the Bidders Bid pursuant to General Conditions 4.11 and 4.12 above, the Buyer acknowledges and agrees that he has entered into a contract with the Seller to buy the Lot and the Buyer must complete the transaction to purchase the Lot.
- 4.16 The Buyer may not remove any Lot he has bought until after the end of the Auction.
- 4.17 In relation to an Online Auction:
- 4.17.1 the Company cannot guarantee that the internet services will operate continuously or without interruptions and this could affect the conduct of the Online Auction and the Bidders ability to Bid online. The Company shall not be liable in any respect in the event of any dispute due to errors, omissions or disruptions to internet services or power failures or any other unforeseen circumstances which may occur during the Online Auction;
- 4.17.2 the Auctioneer may at any time, without notice, postpone or cancel an Online Auction or extend an Online Auction beyond the published closing time (including extension of the timed Online Auction in accordance with General Condition 4.17.3 below);
- 4.17.3 the timed Online Auction Sale is auto bid extension enabled meaning that where a Bid is placed within ten minutes of the original scheduled close of the timed Online Auction the scheduled close of the timed Online Auction will automatically be extended by an additional ten minutes. This continues with a new scheduled close time each time a Bid is placed until no-one places a Bid before the last scheduled close of the timed Online Auction. Every time a Bid is placed within ten minutes or less left in the Online Auction an additional ten minutes Bidding time is added until there are no more Bids. Such time shall then be deemed to be the close of the timed Online Auction.
- 4.18 In the event that the Auctioneer unknowingly sells a Lot that was not eligible for Sale (i.e. there is a third party interest that comes to light) then the Auctioneer shall be entitled to immediately rescind that Sale without any further liability to the Auctioneer and/or Company or the Seller.
- 4.19 Copies of the Auctions (Bidding Agreements) Act 1927 and 1969 are held at the Company's and/or the Auctioneer's principal place of business.

5 Sale and Payment

- 5.1 The Buyer shall pay the following sums to the Company in full and without set off:-
- 5.1.1 immediately upon the Sale of any Lot the Deposit, if requested by the Company; and
- 5.1.2 the balance of the price of the Lot purchased, together with the Buyer's Premium by no later than 48 hours after conclusion of the Sale or, in the case of an Online Auction, after receipt of an invoice in respect of the purchased Lot(s) pursuant to General Condition 4.13 above, or such other time and date as may be specified in the Special Conditions; and
- 5.1.3 any other payment or amount due to the Seller and/or the Company pursuant to these General Conditions or the Special Conditions on demand.
- 5.2 In every case time for payment shall be of the essence.
- 5.3 In view of Money Laundering Regulations the Company reserves the right to refuse payment in cash. Payments in cash of more than £7,500 will not, in any circumstances, be accepted.
- 5.4 If the Buyer fails to make any payment on the due date for payment then, without limiting any other right or remedy available to the Seller, the Buyer shall pay to the Company interest (both before and after any judgment) on the amount unpaid at the rate of 4% above the bank base rate of Barclays Bank Plc per month or any part thereof until payment in full is made.
- 5.5 Until the Buyer has fully complied with its obligations in this General Condition 5:-
- 5.5.1 title to any Lot bought shall not pass to the Buyer;
- 5.5.2 the Seller shall have a lien over any Lot bought by the Buyer in the Auction;
- 5.5.3 if the Buyer effects or purports to effect a resale or any other disposition of all or part of the Lot, the Buyer shall hold the proceeds of resale or other disposition on trust for the Seller.
- 5.6 All sums payable under these General Conditions and the Special Conditions are exclusive of any applicable VAT for which the Buyer shall be additionally liable to pay to the Company. On written request by the Buyer the Company will provide a VAT invoice.
- 5.7 The Company will only accept payment under this General Condition 5 from the Buyer or its authorised agents.

6 Removal of Lots

- 6.1 Risk of damage to or loss of the Lot shall pass to the Buyer immediately upon the conclusion of the Sale.
- 6.2 The removal of Lots from the Location shall be undertaken by the Buyer entirely at its own risk and without any liability whatsoever to the Company.
- 6.3 Buyers are responsible for any and all costs and expenses incurred in relation to the removal of Lots and any other applicable charges, taxes and insurance costs.
- 6.4 The Buyer may not remove any Lot until the Buyer has:-
- 6.4.1 paid by cleared funds all amounts payable pursuant to General Condition 5 above in full; and
- 6.4.2 if requested by the Company produced satisfactory evidence to the Company that the Buyer has adequate public liability insurance in respect of the indemnity set out in General Condition 6.11 below and/or deposited with the Company, by way of security for the costs of making good any damage likely to occur, such sum as the Company may stipulate.
- 6.5 The Company will only permit the removal of Lots purchased by the Buyer or its authorised agents.
- 6.6 The Buyer must remove each Lot purchased by the Clearance Date and Time for which time shall be of the essence. Lots may only be removed during normal working hours or such hours as are specified in the Special Conditions. No clearance on Bank or Public Holidays. In the absence of co-operation the Company and/or the Auctioneer reserves the right to insist on the order of the removal of Lots or parts thereof.
- 6.7 Buyers should co-operate regarding order of removal of Lots in order to comply with the Clearance Date and Time. If it transpires that a Buyer makes no effort to commence dismantling and the particular Lot is preventing other buyers from removing purchased Lots, then the Auctioneer reserves the right to insist that removal take place immediately notwithstanding the specified Clearance Date and Time. In the event the Buyer does not comply with its obligations under this General Condition 6.7, then the Auctioneer reserves the right to arrange for the removal and/or storage of the Lot and charge any attendant costs to the Buyer.
- 6.8 If any Lot is unsold and has to be dismantled & lowered to allow the removal of any other lot, then such dismantling & lowering shall be the responsibility of the Buyer of the relevant Lot(s).
- 6.9 Title to computer software sold pursuant to the Sale of a Lot is not transferred under any Sale to the Buyer and use is subject to any licence or copyright restrictions and user conditions. The Sellers, Company and/or Auctioneers reserve the right to erase any private or sensitive information prior to the Sale or at any later date.
- 6.10 The Buyer and/or his removal contractor must liaise with the Company's site representative prior to commencing dismantling/removal of a Lot from the Location and must at all times comply with its obligations under clause 6.11 below.
- 6.11 When removing any Lot from the Location the Buyer shall, or shall procure that its removal contractors shall:
- 6.11.1 carry out a full assessment of Lot, the Location and the land or buildings to which the Lot is fixed to assess the risks associated with detaching/removing the Lot and shall fully satisfy themselves that they can detach/remove the Lot in compliance with the Buyers obligations under this General Condition 6.11 prior to handling and/or commencing removal of a Lot;
- 6.11.2 obtain all relevant planning permissions (where required) in relation to the removal of building structures and plant housings;
- 6.11.3 buyers of Lots will be required to make good holes or voids exposed by the removal of Lots. Cladding taken off buildings for removal of plant & equipment will have to be replaced, unless otherwise specified by the Company;
- 6.11.4 when detaching any Lot fixed to land or buildings, do so safely and lawfully and must not use flame cutters, explosives or any other dangerous equipment or process without first obtaining written consent of the Company;
- 6.11.5 remove the Lot in compliance with all relevant legislation, regulations, codes of practice, guidance, orders, rules and other requirements of any relevant government or governmental agency or authority whether Parliamentary, statutory, parochial or local including (without limitation) in compliance with the Health and Safety at Work etc Act 1974, the Environmental Protection Act 1990, The Construction (Design and Management) Regulations 2007, Control of Substances Hazardous to Health Regulations 2002 (COSHH), and the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof and all other health and safety and environmental legislation in existence at the time of the Sale. To the extent that such regulations are advisory rather than mandatory, the standard of compliance to be achieved by the Buyer shall be to the best industry practice;
- In all cases arising under this General Condition 6.11 the costs of compliance shall be borne by the Buyer and the Buyer hereby indemnifies the Company and the Seller against all losses, costs, expenses, damages, liabilities, demands, claims, actions and proceedings which the Company and/or the Seller may incur arising directly or

- indirectly out of any breach by the Buyer to the provisions of this General Condition 6.11 and the Buyer shall make good any damage caused to (without limitation) other lots, the Location or to any property belonging to third parties, in removing any Lot under this General Condition 6.11.
- 6.12 The Company shall be entitled to halt the clearance of any Lot if in its absolute discretion the removal of a Lot is being carried out in an unsatisfactory manner. Where the clearance is halted by the Company, the Buyer must liaise with the Company's site representative as to how the Lot should be removed from the Location provided that the Buyer shall at all times ensure that it complies with its obligations under General Condition 6.11 above and the Company shall have no liability in this regard.
- 6.13 The Buyer shall provide evidence as and when requested by the Company of the Buyer's insurance policies in respect of the following insurances and at a minimum level of:
- 6.13.1. Public Liability Cover - limit Two Million Pounds (£ 2,000,000); and
- 6.13.2. Employers Liability Cover - limit Ten Million Pounds (£10,000,000);
- the Company reserves the right to vary the level of insurance cover stated above at any time, as and when required.
- 6.14 The Buyer shall provide to the Company a Risk Assessment & Method Statement complying with The Construction (Design & Management) Regulations 2007, COSHH or with any subsequent amendments thereof or such other legislation as shall from time to time be in force.
- 6.15 Electric, gas, water, steam and waste disconnections are the responsibility of the Buyer and **MUST** be carried out by an approved contractor following consultation with the site representative.
- 6.16 It is expressly brought to the Buyer's attention that certain Lots could contain asbestos, noxious chemicals/ substances etc. which if not handled correctly during their removal could result in breach of Health & Safety at Work legislation and/or Control of Substances Hazardous to Health Regulations or other statutory requirements.
- 6.17 Any fluids, gases and/ or waste remaining in plant and machinery are the responsibility of the Buyer and **MUST** be removed from the Location strictly in accordance with any applicable statutory requirements.
- 6.18 The Buyer must use safe and lawful means of removing the Lot, must comply with all current statutory requirements and regulations including those relating to the disposal and removal of waste, and if required, satisfy the Company in relation to their removal procedures; in particular, the removal of waste materials must be undertaken by an approved and licensed contractor to an approved waste management site.
- 6.19 In the absence of clicking to accept the form of undertaking attached to these General Conditions of Sale the Buyer acknowledges and agrees to give a written undertaking pursuant to section 6(8) of the Health & Safety at Work Act 1974 when required to do so.
- 6.20 It is expressly brought to the attention of the Buyer that certain types of plant or main service installations could contain asbestos, dangerous chemicals etc which if not handled correctly during their removal from site could be in breach of the Health & Safety at work Act 1974, the Control of Asbestos at work Regulations 2002, the Asbestos (Licensing) Regulations as amended and the Control of Substances Hazardous to Health Regulations 1988 (COSHH) or any other current legislation covering the use of such substances in a working environment.
- 6.21 It is the Buyers or their removal contractors responsibility (i.e. Police, Ministry of Transport, Local Authority) to transport off site long/ wide loads, within sufficient time prior to the commencement of clearance period as stated in the Special Notes & Conditions.
- 6.22 The Buyer shall indemnify the Company and the Seller against any loss, damages, expenses, claims or liabilities arising directly or indirectly from the possession or use of the Lot after title to the Lot has passed to the Buyer but before it is removed from the Location.
- 6.23 All Lots are sold on the understanding that the Seller does not represent them as being in a condition which makes them suitable for domestic use or for purchase by a Buyer who is a consumer. If any Lots are intended for domestic use the Buyer must ensure that they comply with the requirements of the Furniture & Furnishings (Fire) (Safety) Regulations 1988 and any subsequent amendments thereof or such other relevant statutory requirements or regulations as shall from time to time be in force.
- 6.24 The Buyer undertakes to comply with the provisions of the Data Protection Act 1998 in processing data held by them in connection with any Lot.
- 7 Default by the Buyer**
- 7.1 If at any time the Buyer has failed to pay the sums specified in General Condition 5 above in full by the due date for payment, or to remove any Lot purchased by the Clearance Date and Time specified in the Special Conditions the Seller may rescind the Sale of that Lot, in which case any Deposit shall be forfeit, and that Lot may be resold.
- 7.2 If the Seller has rescinded the Sale but the Buyer has removed the Lot purchased, the Seller shall be entitled without previous notice to enter upon any premises where he believes the Lot to be and remove it.
- 7.3 If the Seller has rescinded the Sale and the Lot has been resold by the Auctioneer and/or the Company or by the Seller, the Buyer shall reimburse the Seller with any shortfall where:-
- 7.3.1 the resale price less the Sale price; and
- 7.3.2 the costs incurred by the Seller incidental to the resale.
- 7.4 If the Buyer fails to remove any Lot by the Clearance Date and Time specified:-
- 7.4.1 the Seller may remove the Lot from the Location and leave it outside at the Buyer's risk in all respects;
- 7.4.2 the Seller may charge the Buyer for the reasonable costs of storage;
- 7.4.3 the Seller may charge the Buyer rent, taxes, men's wages and expenses incurred as a result of the Lot(s) remaining at the Location; and
- 7.4.4 the Buyer shall indemnify the Seller against any loss, damages, expenses, claims or liabilities incurred by the Seller arising from the Buyer's failure to remove the Lot from the Location.
- 8 Acknowledgements and Exclusion of Warranties**
- 8.1 The Buyer acknowledges that in agreeing to purchase any Lot he is not relying on any warranties or representations made by the Seller or the Company or any of their employee's agents or representatives. All representations, warranties and conditions, express or implied, statutory or otherwise in respect of all and any of the Lots are expressly excluded and without limitation any warranties and conditions as to title, quiet possession, satisfactory quality, fitness for purpose and description are excluded to the fullest extent as permitted by law.
- 8.2 The Buyer further acknowledges that neither the Sellers nor the Company shall in any circumstances be liable to or to compensate the Buyer nor shall the Buyer be entitled to rescind the Sale or reject any Lot for an error omission or misstatement contained in the Catalogue and/or in the Special Conditions.
- 8.3 The Buyer also acknowledges that:-
- 8.3.1 all the Lots are purchased on the basis that risk of good title to all or any of them passing to the Buyer is at the Buyer's risk and without limitation the Lots are sold subject to any claims, liens, distraint and execution and subject to all leasing, hire or hire purchase agreements and reservation of title claims (if any) in respect of them;
- 8.3.2 if it shall be found that the Seller does not have title to all or any of the Lots the Buyer shall have no right to rescind, avoid or vary this agreement or to claim damages or a reduction in the price paid or payable;
- 8.3.3 anything found in, under, near or in any Lot which is not specifically included in the description of the Lot remains the property of the Seller;
- 8.3.4 any intellectual property rights or software subsisting in a Lot may be third party property and as such the Seller and/or the Company may be unable to effect transfer. The Buyer will not be authorised to use intellectual property rights or software and any such use or transfer shall be at the Buyers sole risk.
- 8.4 The Buyer undertakes that it shall ensure that any vehicle comprised in any Lot is in a roadworthy condition in accordance with the Road Vehicle (Construction and Use) Regulations 1986 and any subsequent amendments thereof or such other relevant regulations as shall from time to time be in force before using it on a public road. It is the Buyer's responsibility to remove Company logos and lettering from vehicles. Odometer readings are not warranted.
- 8.5 The Buyer acknowledges that any item of plant, machinery or equipment contained in the Lot(s) may not necessarily comply with any statutory requirements or regulations governing the use of that plant, machinery or equipment in their working environment. Neither the Seller nor the Company shall incur any liability to the Buyer because of any default or defect in all or any of the Lots. Buyers are entirely responsible for ensuring that the use of any item of plant, machinery or equipment does not contravene any health and safety and environmental legislation in existence at the time of the Sale.
- 8.6 The Buyer acknowledges and agrees that the Company is acting only as agent of the Seller and it is expressly agreed and declared that no personal liability in connection with the Sale of any Lot or otherwise shall fall on the Company and the Buyer shall indemnify the Company against all and any liabilities arising under or in connection with the Sale of any Lot. Insolvency Practitioner(s), including Administrative Receiver(s), Administrator(s) and Liquidator(s) act as agent(s) for the Seller without personal liability and shall incur no personal liability whatsoever in relation to a Sale or pursuant to any document relating thereto.
- 8.7 The Buyer acknowledges and agrees that the Auctioneer does not represent any lot as being in a condition which makes it suitable for domestic use.
- 8.8 The Buyer acknowledges and agrees the Auctioneer does not have nor professes to have any expert or other knowledge of any Lots sold.
- 8.9 The Buyer acknowledges and agrees that the Auctioneer is hereby excluded from any liability the Auctioneer might otherwise incur.

- 8.10 The Buyer acknowledges and agrees that no liability shall attach to the Auctioneer either in contract or in tort for loss of injury or damage legal or otherwise sustained by the Seller, any bidder, the Buyer or any other person by reason of any defect in any Lot sold, latent or otherwise, or any defect or danger of the premises where the Auction is held.
- 8.11 The Buyer agrees that the General Conditions and the exclusions which they contain are fair and reasonable bearing in mind that:-
- 8.11.1 the Buyer must rely absolutely on the Buyer's own opinion and/or professional advice concerning the quality, state, condition, performance and functionality of the Lots any right, title or interest which is sold under the terms of these General Conditions, their fitness and suitability for any particular or any purpose, the possibility that some or all of them may have defects not apparent on inspection and examination including, without limitation, the presence of contamination and the possibility that the Buyer may not acquire title and the fact that the Buyer would have no remedy under this Agreement should that happen;
- 8.11.2 the Buyer has available to it skilled professional advice and on that basis agrees to purchase a Lot for a consideration calculated to take into account amongst other things the risk to it represented by the fact that the parties believe that all the exclusions and limitations set out in these General Conditions would be recognised as being fully effective by the Courts and the Seller making it clear that it would not have agreed to sell any Lot on any other basis except for a higher consideration;
- 8.11.3 the Buyer has been given every opportunity which might reasonably be expected to examine and inspect the Lots.
- 8.12 **Limitation of Liability - the buyer's attention is particularly drawn to this condition**
- 8.13 The following provisions set out the entire liability of Seller and the Company (including any liability for the acts or omissions of their respective employees, agents and sub-contractors) to the Buyer in respect of:
- 1.1. (a) any breach of these Conditions of Sale;
- 1.2. (b) any use made by the Buyer of any Lot (being any item) which forms part of any Sale; and
- 1.3. (c) any representation, statement or tortious act or omission including negligence arising under or in connection with these Conditions of Sale.
- 8.14 All warranties, conditions and other terms implied by statute or common law are, to the fullest extent permitted by law, excluded from these Conditions of Sale.
- 8.15 Nothing in these Conditions of Sale excludes or limits the liability of Company and the Seller:
- 1.4. (a) for death or personal injury caused by (as the case may be) the Company's or the Seller's negligence;
- 1.5. (b) for any matter which it would be unlawful for the Company or the Seller to exclude or attempt to exclude its liability; or
- 1.6. (c) for fraud or fraudulent misrepresentation by (as the case may be) the Company or the Seller.
- 8.16 Company shall accept liability to the Buyer in respect of damage to the tangible property of the Buyer resulting from the negligence of Company or its agents or sub-contractors up to a maximum amount of [INSERT] or each event or series of connected events.
- 8.17 The Buyer's attention is in particular drawn to the provisions of conditions 8.18 to 8.19.
- 8.18 Subject to conditions 8.13 – 8.15 (inclusive):
- 1.7. (a) the Company's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of these Conditions of Sale shall be limited to the aggregate amount of the price paid for the Lot or if no price has been paid then the higher of the market value or reserve price for the Lot; and
- 1.8. (b) the Company shall not be liable to the Buyer for any (i) pure economic loss, (ii) loss of profit, (iii) anticipated savings, (iv) loss of business (v) depletion of goodwill or (vi) similar loss in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with these Conditions of Sale.
- 8.19 Subject to conditions 8.13 – 8.15 (inclusive):
- 1.9. (a) the Seller's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of these Conditions of Sale shall be limited to the aggregate amount of the price paid for the Lot or if no price has been paid then the higher of the market value or reserve price for the Lot; and
- 1.10. (b) the Seller shall not be liable to the Buyer for any (i) pure economic loss, (ii) loss of profit, (iii) anticipated savings, (iv) loss of business (v) depletion of goodwill or (vi) similar loss in each case whether direct, indirect or consequential, or any claims for consequential compensation whatsoever (howsoever caused) which arise out of or in connection with these Conditions of Sale.
- 8.20 The Buyer acknowledges that the limitations of liability in these Conditions of Sale and in particular this clause 8 are fair and reasonable given the price paid for the services supplied by the Company and the Seller to the Buyer under these Conditions of Sale, the liability commonly accepted by businesses carrying on the same business as the Company (including the Company's contractors), and the availability and price of insurance available to the Company in respect of the services. If the liability limits in this clause 8 are not sufficient for the Buyer then the Buyer should enquire if for an additional fee the Company is able to offer a higher level of liability. Where this is agreed to by the Company then additional terms may apply as notified to the Buyer by the Company.
- 8.21 The Buyer acknowledges that a Sale by Auction is not a consumer sale for the purposes of the Sale of Goods Act 1979 (as amended by the Sale and Supply of Goods Act 1994) and the Unfair Contract Terms Act 1977 and the Buyer shall not seek to rely upon and conditions or warranties implied thereby or by any other legislation.
- 9 **Entire agreement**
The parties agree that these General Conditions, the Special Conditions and the Catalogue constitute the entire agreement between them and supersedes all previous drafts agreements arrangements and understandings between them, whether oral or written.
- 10 **Jurisdiction**
Each party irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim arising out of or in connection with these General Conditions or its subject matter or formation (including non-contractual disputes or claim).

NOTICE TO PURCHASERS

Purchase of
Goods using a
Finance
Company:

If Buyers wish to purchase goods with the help of a finance company they should make arrangements well in advance of the Sale to ensure that they are able to make payment in accordance with the conditions of sale.

Overseas
Buyers:

Overseas Buyers should ensure that the country to which the items are destined:-

- holds no import restrictions on the goods to be purchased;
- has no import license restrictions or a restriction on currency allocation;
- has no prolonged inspection procedure which might cause excess delay in allowing your goods to be imported.

Overseas Buyers will receive a fully descriptive invoice in order that they may arrange payment as soon as possible with the Sellers bank, Barclays Bank plc, Albion Street, Leeds LS1.

Overseas Buyers should employ a suitable freight forwarding organisation. Please note that many of the machinery removal companies in this country are not necessarily freight forwarders. The Seller will be pleased to advise accordingly.

Overseas Buyers should read the conditions of Sale.

Please Note:-

- (a) The Seller cannot allow removal of any Lot from the Auction Sale until their Accounts Department has received notification from their banker that the Buyer's payment has been properly cleared in full. Monies must be transferred to the Seller within the time state in the "Conditions of Sale" on the following page.
- (b) If there are any special arrangements that the Buyer wishes to make with the Seller, the Buyer must contact the Seller at least three days before the Sale date.

VAT Payments
and Returns:

All overseas Buyers (EU and non EU) will be charged VAT at the current rate on each Lot purchased. This will be refunded to the overseas Buyer as soon as the Seller receives a copy of the bill of lading as proof of export, providing this documentation is received within 3 months of the sale date. The Seller is unable to refund the VAT on the Buyer's Premium to non EU countries.
